About The College

JCT College of Engineering and Technology started in the year 2009 and run by Shri Jagannath Educational Health and Charitable Trust, with the congenial and well-developed green campus. Under the able guidance and patronage of Thiru. S.A. Subramanian, Chairman, Shri .R.Durga Shankar Secretary the college has developed excellent facilities and s such as spacious classrooms, seminar halls, well-equipped laboratories, workshops, well-stocked libraries, dedicated high speed broadband Internet connectivity and well-qualified faculty. The vision of the institution is to produce high caliber socially responsible engineers. The institute offers nine UG and four PG Programmes in Engineering & Technology.

About The Department

The Petrochemical Engineering Department is equipped with state-of-the-art learning facilities and laboratories to prepare our graduates in ever growing field of Petrochemical Engineering. The program intends to create technical professionals who are fit to take on engineering responsibilities across the entire value-chain in the Oil & Gas Industry – a specialization that has seen growing demand in the recent years, with a focus on Petrochemical Engineering.

About The Location

The College is situated in Pichanur, Velandhavalam road, 5kms from KG Chavadi and 18Kms from Coimbatore Central Bus stand. The nearest railway station is Coimbatore junction.

Declaration

The above information is true to the best of my knowledge. I agree to abide by the rules and regulations governing the course. If selected, I shall attend the course for the entire duration. I also undertake the responsibility to inform the coordinator in case I am unable to attend the course.

Place: _____ Signature of the Applicant

Date: _____

Sponsorship Certificate

Mr/Ms/Dr.....is an employee/Student/ of our Institute / organization and is hereby sponsored by us. He / She will be permitted to attend the course, if selected.

Place : _____ Signature with Seal

Date : _____ Sponsoring Authority

Address for the Coordinator

Dr.R.Perumal,

Professor & Head, Department of PCE
JCT college of Engineering and Technology
Pichanur, Coimbatore (D.T) - 641105,
Tamilnadu, India. Cell: 9361444406

Email: perumal.r@jct.ac.in

Introduction

Two days' workshop on 'Hands on training in pilot distillation units'. Aims at exposing the Students & faculty members in understanding the various distillation methods and their operation in Pilot Columns.

Course Contents:

- ❖ Theory of Distillation methods.
- ❖ Introducing Bubble cap, Packed, Sieve tray column, Steam distillation principles.
- ❖ Actual Hands on Training in operation.

Resource Persons

The course will be handled by experts from various reputed academic and R&D institutions with lectures and actual hands on training in various distillation columns.

Eligibility

Final year students from polytechnic institutions undergoing chemical engineering, Petroleum engineering, branches of diploma courses. Faculty from AICTE approved Institutions offering the above diploma courses are also welcome to attend the program. Operating technicians in distillation related industries can also attend and benefit in understanding the theory and practice of separation techniques. The total intake is 30 and selection will be based on first come first served basis

Accommodation

Accommodation will be provided for external participants in the college premises.

Registration

| | |
|-----------------------------|----------|
| Final year Diploma students | Rs.200/- |
| Teachers from Polytechnic | Rs.300/- |
| Technician from industry | Rs.400/- |

ORGANIZING COMMITTEE

CHIEF PATRONS

Shri.S.A. Subramanian

Chairman, JCT Institutions

Shri.R. Durga Shankar

Secretary, JCT Institutions

PATRON

Dr.G.Ramesh

Principal, JCTCET

CONVENOR

Prof.N.Krishnasamy

Dean / PCE

CO-ORDINATORS

Dr.R.Perumal, M.Tech, Ph.D.

Mr.N.Ramkumar, M.Tech.

How to Apply

The applicants can send their applications in the specified format with signature of sponsor to reach us on or before 04.12.2017. Only limited number of participants will be selected on first-come-first-served basis. If selected, they should confirm their Participation in time.

The participated certificate will be provided to all the participants.

Scheduled Date

Last date for receipt of application : 25.11.2017

Intimation of Selection by email : 04.12.2017

Confirmation by Participants : 06.12.2017
