21 JUN, 2019

### Report on International Yoga Day

JCTCET, Coimbatore have conducted INTERNATIONAL YOGA DAY on 21/06/2019. Coordinators, faculty members and 250 students participated. International Day of Yoga is celebrated annually on 21st June since its inception in 2015. An international day for yoga was declared unanimously by the United Nations General Assembly (UNGA). Yoga is a physical, mental and spiritual practice originated in Bharat or India. The Indian Prime Minister, Shri Narendra Modi in his UN address suggested the date of 21 June, as it is the longest day of the year in the Northern Hemisphere and shares special significance in many parts of the world.

The idea of International Day of Yoga was first proposed by the current Prime Minister of India, Mr. Narendra Modi during his speech at the UNGA on 27th September 2014. He stated that, "Yoga is an invaluable gift of India's ancient tradition. It embodies unity of mind and body; thought and action; restraint and fulfillment; harmony between man and nature; a holistic approach to health and well-being. It is not about exercise but to discover the sense of oneness with you, the world and the nature. By changing our lifestyle and creating consciousness, it can help in well being. Let us work towards adopting an International Yoga Day". Yoga is an old discipline from India. It is both spiritual and physical. Yoga uses breathing techniques, exercise and meditation. It helps to improve health and happiness.

The benefits of yoga and the various positions and the types were demonstrated by an instructor and the same were exhibited by the 250 participated students and faculties of various departments.

DIVORCE SPEED.

ORGANIZED BY

DEPARTMENT OF **AUTOMOBILE ENGINEERING**

ON

JANUARY 7, 2K19

### Report on Road Safety awareness week

JCT college of Engineering & Technology, Pichanur, Coimbatore, organized the **Road Safety awareness week** from 07.01.2019 by 2.30 p.m at our seminar hall around 350 students from various departments participated. A road safety week is conducted in order to create awareness among the public regarding traffic rules and to reduce casualties of road accidents. Due to lack of awareness, many lose their lives and leads to pain and sufferings. It is celebrated with great enthusiasm every year. Similarly, it was celebrated this year from 4th February till 10th February 2018.

In this campaign, there were various events and was inaugurated by our Principal Dr.G.Ramesh. The Coimbatore city police worked deliberately to spread awareness among the public. Also, many public from the near by villages participated in numerous activities. Further various painting and drawing competition were held on the theme of the campaign. Additionally, quizzes and traffic safety games are held to promote safety. There are innumerable activities which are enjoyed and equally comprehended by the public.

**Raising Awareness about Gender Equality  
Awareness program report**

The NSS of JCTCET and Madhukarai Town panchayat, pichanur, Coimbatore conducted a awareness program on **Raising Awareness about Gender Equality** in our college campus on 10.06.2018.

**Key points:**

- ❖ Gender equality refers to the right of women and men to have the same opportunities for the achievement of important goals in society such as education, employment and income and to contribute to political, social, and cultural development at all levels.
- ❖ Strengthen women’s security in crisis: Stop violence against women.
- ❖ Advance gender justice: Provide justice and security for women.
- ❖ Expand Women’s Citizenship, Participation and Leadership: Advance women as decision-makers.
- ❖ Build Peace with and for women: Involve women in all peace processes.
- ❖ Promote gender equality in disaster risk reduction: Value women’s knowledge and experience.
- ❖ Ensure gender-responsive recovery: Support men and women to build back Better.
- ❖ Transform government to deliver for women: Include women’s issues in the national agenda.
- ❖ Develop Capacities for Social Change: Work together to transform society.

Finally, vote of thanks was given by Mr.Subramaniyan on behalf of the velandhavalam, panchayat and the awareness program ended successfully.

## Report-Seminar on Awareness about the HIV/AIDS and TB

JCT college of Engineering & Technology on 30.11.2018 by 2.30 p.m at our seminar hall organised the **Seminar on Awareness about the HIV/AIDS and TB** around 500 students form various departments participated during the session the importance of protecting human life and the need of precaution to be taken are explained in detail

According to the Centers for Disease Control and Prevention, young people aged 13–29 accounted for 39 percent of all new HIV infections in 2009. HIV is a disease that does not discriminate. Anyone can contract this disease, which is why it is important for students to be AWARE of how to protect themselves and prevent the transmission of HIV. HIV is found in specific human body fluids.

Infection of HIV by any of the following fluids enter your body:

- Blood
- Semen (cum)
- Pre-seminal fluid (pre-cum)
- Breast milk
- Vaginal fluids
- Rectal (anal) mucous

Signs and symptoms commonly seen in the early stages of HIV include:

- Fever
- Chills
- Rash
- Night sweats
- Muscle aches
- Sore throat
- Fatigue
- Swollen lymph nodes
- Ulcers in the mouth

The HIV transmission methods are explained clearly during the seminar

PRINCIPAL

**Raising Awareness about toxicity in water effluent plants  
 Awareness program report**

The JCTCET, Coimbatore conducted awareness program on "Awareness about toxicity in water effluent plants" at, Coimbatore on 15.08.2018.

The faculty members and 450 students of various department conducted awareness rally regarding the importance of toxicity in water effluent plants.

**Key points:**

With the increased use of a wide variety of metals in industries and in our daily life, there is now a greater awareness of toxic metal pollution of the environment. Many of these metals tend to remain in the ecosystem and eventually move from one compartment to the other within the food chain. Food chain contamination by heavy metals has become a burning issue in recent years because of their potential accumulation in biosystems through contaminated water, soil and air. These toxic metals not only pollute the creek waters but also pose a threat to the aquatic biota. The increase in residue levels of heavy metal content in water, sediments.

**Wastewater Treatment Process**

Finally, vote of thanks was given by Dr.R.Perumal, HOD, on behalf of the JCT College of Engineering and Technology and the awareness program ended successfully.

### Raising Awareness about Air Pollution Awareness program report

The JCTCET, Coimbatore conducted a awareness program on "Awareness about Air Pollution" at, Coimbatore on 21.02.2018.

The faculty members and 500 students of various department conducted awareness rally regarding the importance of Airpollution .

#### Key points:

An air pollutant is a material in the air that can have adverse effects on humans and the ecosystem. The substance can be solid particles, liquid droplets, or gases. A pollutant can be of natural origin or man-made. Pollutants are classified as primary or secondary. Primary pollutants are usually produced by processes such as ash from a volcanic eruption. Other examples include carbon monoxide gas from motor vehicle exhausts or sulphur dioxide released from factories. Secondary pollutants are not emitted directly. Rather, they form in the air when primary pollutants react or interact. Ground level ozone is a prominent example of secondary pollutants. Some pollutants may be both primary and secondary: they are both emitted directly and formed from other primary pollutants.

Finally, vote of thanks was given by Dr.S.Venkatesh Babu, HOD, on behalf of the JCT College of Engineering and Technology and the awareness program ended successfully.

# AWARENESS AGAINST DRUGS -2018

NSS CO ORDINATOR

PRINCIPAL

**SEMINAR ON DRUG AND TRAFFIC AWARENESS PROGRAM ORGANIZED BY NSS WING JCT COLLEGE OF ENGINEERING AND TECHNOLOGY JOINTLY WITH POLICE DEPARTMENTS OF TAMILNADU AND KERALA ON 01.02.2018**

JCT College of Engineering and Technology's NSS wing and Police Departments of Tamilnadu and Kerala have jointly organized an awareness program against Drugs and Traffic on 10/02/2018. Mr. Mathews John, Deputy commissioner-Excise, Kerala and Mr. Balasubramaniam, Deputy commissioner-Excise, Tamilnadu, they delivered a valuable speech to the students about the cause and effect of the drugs addiction. On the other hand, Mr. Chandramohan, Additional superintendent of police, Coimbatore, advised the students on how to protect themselves and how to follow the traffic rules. Earlier Principal Mr. Dr. G. Ramesh welcomed the chief guests. More than 300 Students have got benefited from the program.

This program was coordinated by NSS coordinators Mr. Magesh (AP-Mech) & Mr. Ashokprabu (AP-PHYSICS)

### Report on Awareness Against Drug

On 01 Feb 2018, Awareness against Drug, Illicit Trafficking and World No Tobacco Day was observed at JCTCET, Coimbatore, The World No tobacco day was also observed together. Expression of its determination to strengthen action and cooperation to achieve the goal of an international society free of drug abuse."The main objective of raising awareness among public on drug abuse, Illicit trafficking and harmful effects of Tobacco use. The theme of theme of the day was: "Listening to children and youth is the first step to help them grow healthy and safe" and "Tobacco a threat to Development" for World no Tobacco Day.

Effective responses to the world drug problem require inclusive and accountable institutions of criminal justice, health, and social services to work hand in hand to provide integrated solutions, in line with the international drug control conventions, human rights obligations and the Sustainable Development Goals," says the United Nations.

## Report on Dengue Awareness Program

With the aim of combating the deadly disease Dengue, JCTCET and Mr.Thangam President of Pichanur Panchayat organized a special DENGUE AWARENESS CAMPAIGN on 11.02.2015 around 600 students participated. The day saw students and Faculties of JCTCET participating enthusiastically, joining hands against the terror of Dengue. Under the guidance of the Principal of the JCTCET Dr.G.Ramesh, a special rally was flagged off to spread awareness among the masses about Dengue and its preventive measures.Students did door to door campaigning, advocating the message- 'We can win against Dengue'.Students vociferated slogans and distributed informative pamphlets to the passersby to spread awareness. At the end of programme there was a photo session with Principal, faculties and students.

**“Knowledge and Perception regarding HIV & AIDS”**  
**Awareness program report**

The NSS of JCTCET and Madhukarai Town panchayat, K.G.Chavadi, Coimbatore conducted a awareness program on ‘**Knowledge and Perception regarding HIV/ AIDS**’ at K.G.Chavadi, Coimbatore on 02/03/2019.

The NSS Co-Ordinator, faculty members and students of various department conducted transmission and prevention of HIV / AIDS awareness rally at K.G.Chavadi to Ettimadai and displayed placard about transmission and prevention of HIV / AIDS to the public.

**Key points:**

- India has the third largest HIV epidemic in the world, with 2.1 million people living with HIV.
- India’s epidemic is concentrated among key affected populations including sex workers and men who have sex with men. The National AIDS Control Programme, however, has made particular efforts to reach these two high-risk groups with HIV interventions.
- Compared to neighbouring countries, India has made good progress in reducing new HIV infections by half since 2001.
- Despite free antiretroviral treatment being available, uptake remains low as many people face difficulty in accessing clinics.

Finally, vote of thanks was given by Mr Nandha (Amman Mess, K.G.Chavadi), on behalf of the Madhukarai, town panchayat and the awareness program ended successfully.

### WOMEN'S DAY 2018 CELEBRATION REPORT

The Women Empowerment Cell celebrated International Women's Day 2018 in **JCT College of Engineering & Technology** on 08.03.2018 by 10.00 am at our seminar hall. The function started with a prayer song by the first year students.

Ms.A.Uma (IV Civil) welcomed the guest and lighting of kuthuvilaku was done by the chief guest. Our respected principal Dr.G.Ramesh presided over the function. In his presidential address, he shared the importance of today's session and asked all the women to be brave and bold. Ms.J.Shelina (III Food) unveiled the profile of the chief guest.

The chief guests of the function were Healer.Mr.Iyarkai Kumar, M.Acu, Founder, Kovai Academy & Universal Academy of Acupuncture Sciences and Healer.Mr.M.Kothanda Raman, Secretary, Kovai Academy & Universal Academy of Acupuncture Sciences.

Healer Mr. Iyarkai Kumar gave the valuable information on women's health and beauty. He also said when women are educated about the natural way of maintaining the health, the knowledge can be transferred to the entire family. Healer. Mr.M.Kothanda Raman narrated about the diet, which must be followed for the better health.

The vote of thanks was delivered by Ms.Thabhitha(III PCE). The function ended with the National Anthem.

Thanking You.

## WOMEN EMPOWERMENT CELL GUEST LECTURE REPORT

The Women Empowerment Cell conducted Special Lecture on the topic of "DISCOVERING THE WINGS" in JCT college of Engineering & Technology on 13.10.2017 by 2.30 p.m at our seminar hall. The function started with a prayer song by Ms. Omega Swamy & Ms.Ishwarya(I petro).

Ms.Aishwarya(I petro) welcomed the guest and lighting of kuthuvilaku was done by the chief guest. Our respected principal Dr.G.Ramesh presided over the function. In his presidential address, he shared the valuable point that never let your attitude lower, meet the challenges and come up on your weakness character. He narrated a innovative story. The motive of the story is that everyone should adapt their life style according to the situation.

The guest speaker **Dr.R.MARY METILDA, B.E, MBA, M.Phil, Ph.D, PROFESSOR & HEAD Department of Management Studies, ( EDC COORDINATOR ), Sri Ramakrishna Engineering College, Vattamalaipalayam, NGGO Colony(po) Coimbatore.**, narrated the following points pertaining to Women Empowerment.

- Build your character, self respect, self discipline
- Performance character – "Doing our best work"
- Moral character-"Honors the interests of others"
- Lifelong learner & critical thinker
- Socially & emotionally skilled person
- Advised the students not to spend more times on social Medias and should be careful about what you are doing.
- Finally she concluded that "Never give up and believe in yourself" by a video clip.

The vote of thanks is delivered by Ms.Lavanya.B(I petro).The function ended with the National Anthem.

**Awareness about Petroleum & Petrochemical Product Usage  
 Awareness program report**

JCTCET, Coimbatore conducted awareness program on "Awareness about Petroleum & Petrochemical Product Usage" at Coimbatore on 12.07.2017.

Co-Ordinator, faculty members and 560 students of various department conducted awareness rally regarding the importance of Petroleum and Petrochemical product usage.

**Key points:**

Crude oil is a mixture of hydrocarbons that formed from plants and animals that lived millions of years ago. Crude oil is a fossil fuel, and it exists in liquid form in underground pools or reservoirs, in tiny spaces within sedimentary rocks, and near the surface. Petroleum products are fuels made from crude oil and other hydrocarbons contained in natural gas. Petroleum products can also be made from coal, natural gas, and biomass.

Finally, vote of thanks was given by Dr.R.Perumal, HOD ,on behalf of the JCT College of Engineering and Technology and the awareness program ended successfully.

### Raising Awareness about Chemical landfill Awareness program report

The JCTCET, Coimbatore conducted a awareness program on "Awareness about Chemical Land Fil" at, Coimbatore on 20.03.2017. The faculty members and 350 students of various department conducted awareness rally regarding the chemical landfill.

#### Key points:

Chemical waste is a waste that is made from harmful chemicals (mostly produced by large factories). Chemical waste may fall under regulations such as COSHH in the United Kingdom, or the Clean Water Act and Resource Conservation and Recovery Act in the United States. In the U.S., the Environmental Protection Agency (EPA) and the Occupational Safety and Health Administration (OSHA), as well as state and local regulations also regulate chemical use and disposal.<sup>[1]</sup> Chemical waste may or may not be classed as hazardous waste. A chemical hazardous waste is a solid, liquid, or gaseous material that displays either a "Hazardous Characteristic" or is specifically "listed" by name as a hazardous waste. There are four characteristics chemical wastes may have to be considered as hazardous. These are Ignitability, Corrosivity, Reactivity, and Toxicity. This type of hazardous waste must be categorized as to its identity, constituents, and hazards so that it may be safely handled and managed.<sup>[2]</sup> Chemical waste is a broad term and encompasses many types of materials. Consult the Material Safety Data Sheet (MSDS), Product Data Sheet or Label for a list of constituents. These sources should state whether this chemical waste is a waste that needs special disposal

Finally, vote of thanks was given by Dr.S.Venkatesh Babu, HOD, on behalf of the JCT College of Engineering and Technology and the awareness program ended successfully.

Respected Sir/Madam,

Warm Greetings from District AIDS Prevention and Control Unit (DAPCU)

Sub: Requesting for Organizing Voluntary Blood Donor Campaign and Blood  
Donation Camps - TANSACS - IEC - Red Ribbon Club (RRC) - Voluntary  
Blood Donor Registration for the year 2016-17-Reg

Ref: The Project Director/TANSACS/, Ref No.5168/IEC/YP-RRC/2016 dated  
08.09.16

-----

Tamil Nadu State AIDS Control Society (TANSACS) has launched the online blood bank management system (<http://www.tngovbloodbank.in>) which helps public to access and to know about the blood stock position of Government Blood Banks on daily basis. It also provides opportunity for interested volunteers to register themselves as Voluntary Blood Donor. In order to strengthen the Voluntary Blood Donor Registry of the district, DAPCU has planned to organize as an activity in all Colleges in Coimbatore district. Therefore I am requesting you to support TANSACS programme for providing awareness on HIV/AIDS, organizing blood donation camps and registering students under Tamil Nadu portal (<http://www.tngovbloodbank.in>) as voluntary blood donors through NSS/RRC programme. In addition with that Blood grouping activity also done.

Kindly we expect your cooperation and support.

Thanking You,

Yours Faithfully,

RVM.Kumanan

## WOMEN EMPOWERMENT CELL GUEST LECTURE REPORT

The Women Empowerment Cell conducted Special Lecture on the topic of "Women's Safety and PCOD Awareness Program" in JCT college of Engineering & Technology on 29.09.2016 by 2.00 p.m at our seminar hall. The function started with a prayer song.

Mrs.Vedha Vinodha.D, Assistant Professor of ECE department and Women Empowerment Cell Convener welcomed the guest and our respected principal Dr.G.Ramesh presided over the function. In his presidential address, he shared the valuable points with the gathering to the scientific & innovative story. The motive of the story is that everyone should adapt their life style according to the situation.

Both the guest speakers Ms. Dr.Elizabeth George M.B.B.S, M.D (O&G) President of Indian Medical Association (Women's Wing) & Dr.Chandrakala M.B.B.S, DGO, MRCOG (U.K) Secretary of Indian Medical Association (Women's Wing) Coimbatore, in their special speech, they narrated the following points pertaining to Women Safety and Empowerment.

- Psychological empowerment of girl students.
- Advised the students not to share their personal things to unknown persons very particularly mail id, phone numbers, residence address etc...
- Issues related to polycystic ovarian disease.
- They explained girl students to understand very particularly about good and bad touch while moving along with opposite gender.
- To have a healthy food and stress free life.

A live and effective interaction was done between the students and the guest provided the students with a cup of fruit salad (Sponsored by Indian Medical Association Women's Wing Coimbatore).

The vote of thanks is delivered by Mrs.Saraswathi.P, Assistant Professor of (S&H). The function ended with the National Anthem.

# Campus cleaning(JCTCET)

JCT COLLEGE OF ENGINEERING AND TECHNOLOGY  
PICHANUR, COIMBATORE - 641105

## Report on Campus cleaning(JCTCET)

The NSS unit of our college conducted a campus cleaning programme on 10<sup>th</sup> August 2015 under the guidance of our beloved principal Dr.G.Ramesh at our college premises. All the NSS Volunteers and around 785 students of JCTCET were engaged in this cleaning programme.

All the NSS Volunteers and students were engaged in this cleaning programme. The NSS officer divided the NSS Volunteers into several groups. Each group members were allocated with a particular area for cleaning. Three groups were asked to collect all the stones from the ground separately in different sacs. The renewable such as dry leaves, twigs, papers etc. and nonrenewable wastes such as carry bags, plastic items etc. were collected separately. The renewable waste was collected and burnt. At the end the NSS volunteers as well as the students were provided snacks.

A handwritten signature in blue ink, appearing to be 'G. Ramesh'.

*PGD*

Dear Sir,

We would like to conduct a voluntary blood donation camp and free blood grouping camp for the staff and students of your College.

We issue blood to over 250 Hospital and Nursing Homes in Coimbatore as well as neighbouring districts and even Kerala. In turn, we depend on blood donation camps to enable us to meet the needs of thousands of patients. The blood of all voluntary donors is screened for the following transmittable diseases before being issued to a patient : HIV (AIDS), HBsAg (hepatitis B), HCV (Hepatitis C), VDRL (Syphilis), MP(Malaria), Hb (Haemoglobin) and SGPT ( a liver function test).

All donors are given a certificate of appreciation and a donor I.D card. The donor card entitles the donor to avail of a 25% concession on all laboratory investigations, X-rays and US scan and also free consultation at K.G Hospital for a period of one year from the date of donation, on production of their I.D. Cards.

We look forward to your favourable reply.

Thank you,

Yours sincerely

*J. Vidyanand*

# JCT COLLEGE OF ENGINEERING AND TECHNOLOGY

Pichanur, Coimbatore – 641105

Date: 20/02/2015

## WOMEN EMPOWERMENT CELL GUEST LECTURE REPORT

The Women Empowerment Cell conducted Guest Lecture on the topic of **"Roles of women in the upliftment of family and society"** in JCT college of Engineering & Technology on the forenoon of 20.02.2015 for the academic year 2014-2015. The function started with a prayer song by the students.

The chief Guest Dr. Janaki B.Sc., M.Sc., M.Phil., Yoga from Patanjali Yoga Studio inaugurated the ceremony. Mrs. Vedha Vinodha.D, Assistant Professor of ECE department welcomed the guest and addressed the gathering. Ms.K.Kavithamani Assistant Professor of Maths department gave the Presidential address.

In her presidential address, Ms. K.Kavithamani shared about the Role of Women in the Family. Upon completion of Presidential Address Ms.Navaneetha, Assistant Professor, Civil Department introduced the Chief Guest Dr. Janaki B.Sc., M.Sc., M.Phil., Yoga After the introduction of the Chief Guest Ms. Saraswathi.P, Assistant Professor, Chemistry Department honored the Chief Guest.

The Chief Guest shared her valuable points on Roles of women in the upliftment of family and society; she also emphasized where women can make decisions of their own for their personal benefits as well as for the society. A live and effective interaction was done between the students and the guest.

The vote of thanks was delivered by Ms.Tamilselvi.S, Assistant Professor, ECE Department and Secretary of Women Empowerment Cell. The function ended with the National Anthem.
