ONAM CELEBRATIONS-2015

The students of JCT College of Engineering and Technology celebrated Onam on 28th August 2015. The Principal Dr. G.Ramesh presided over the function. The programme was organized by the students of JCT College of Engineering and Technology. The event was celebrated by all the students, the teaching and non-teaching staff of the college. Students from different classes gathered together to make the event a grand success.

In the true spirit of Onam, the students of JCT participated in decorating the place with Onampookkalam. The Students of Kerala dressed themselves in traditional attires while one student was dressed like the King Mahabali.

In this function the students performed traditional cultural events like Singari Melam, Pookkalam, Classical dances etc., As a part of the celebration, various contests were also held. The celebration came to an end with the distribution of the delicious Onam Palada to all the staff and Students.

Sports day Celebrations-2016

Report of the event

JCT College of Engineering and Technology, 7th Annual Sports Day was held on 07.05.2016 Saturday at the college playground. The dignitaries present on the occasion were Thiru S.A Subramanian, Chairman JCTCET as the Chief Guest, Trustee Thiru O.M Manivelu, Dr.G.Ramesh, Principal graced the occasion.

The programme started with the welcome address by Principal. The College Chairman declared the sports meet open by hoisting the flag and accepting the march past honors. The Chairman lit the flame in the cauldron and handed it over to the champion of the college. The champions took the Olympic Oath followed by track and field events. Mr C.Mukesh Kumar, physical Director, presented the sports annual report for the academic year 2014-2015.

Chief Guest addressed on the sports day, I am happy to participate in our college sports day celebrations. Today I have witnessed that young and energetic boys and girls are actively participating in most of the events. “He emphasized the importance of nutrition by stating from the recent surveys that, more than 60% of children in India fall short of basic fitness criteria considered normal for their age. This is a disturbing trend that needs to be addressed by the people who matter– parents, educational institutions and the authorities”.

He also pointed out that Dr. George Selleck, a renowned American sports doctor, a sports education specialist, says that sports is not just for fun, it helps to build one’s self esteem and self confidence in order to become most accomplished person. He advised the students not only to participate for the sake of sports day events, If you regularly play games in which you are more interested and familiar.
