

Inclusion and Situatedness (10)

7.1.10 Number of specific initiatives to address locational advantages and disadvantages during the last five years (5)

7.1.11 Number of initiatives taken to engage with and contribute to local community during the last five years (Not addressed elsewhere) (5)

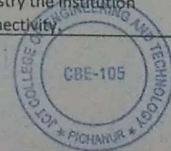

Year	Number of initiatives to address locational advantages and disadvantages	Number of initiatives taken to engage with and contribute to local community	Date and duration of the initiative	Name of the initiative	Issues addressed	Number of participating students and staff
Academics & Teaching						
2018-19	1	NA (Given in 7.1.11)	2018-19	locational advantage of neighbor states	Taking locational advantage- The institution is situated in border of Kerala and Tamilnadu. The institution having significant count from the neighbor states. Similarly the institution having significant Faculty count from the neighbor states.	226
2018-19	1	NA (Given in 7.1.11)	2018-19	Communication skill development	To address Locational disadvantage for admitting students from rural background and regional language medium communication skill class is conducted in first year to enhance the communication skill of the student. It is to be noted that communication skill subject is not included in anna university first year curriculum.	300
2018-19	1	NA (Given in 7.1.11)	2018-19	Industry Guest lecture	Taking locational advantage of Industry surrounding involvement of industry persons for curriculum developing and to address cap in curriculum.	60
2017-18	1	NA (Given in 7.1.11)	2017-18	locational advantage of neighbor states	Taking locational advantage- The institution is situated in border of Kerala and Tamilnadu. The institution having significant count from the neighbor states. Similarly the institution having significant Faculty count from the neighbor states.	339
2017-18	1	NA (Given in 7.1.11)	2017-18	Communication skill development	To address Locational disadvantage for admitting students from rural background and regional language medium communication skill class is conducted in first year to enhance the communication skill of the student. It is to be noted that communication skill subject is not included in anna university first year curriculum.	250
2017-18	1	NA (Given in 7.1.11)	2017-18	Industry Guest lecture	Taking locational advantage of Industry surrounding involvement of industry persons for curriculum developing and to address cap in curriculum.	55
2016-17	1	NA (Given in 7.1.11)	2016-17	locational advantage of neighbor states	Taking locational advantage- The institution is situated in border of Kerala and Tamilnadu. The institution having significant count from the neighbor states. Similarly the institution having significant Faculty count from the neighbor states.	311

2018-19	NA (Given in 7.1.10)	1	25.11.2018	Wild Boar Repellent	This product is to repel wild especially wild boar from destroying crops.	15
2018-19	1	NA (Given in 7.1.11)	23.11.2018 to 24.11.2018	Gaja Cyclone Relief Activity	Taking locational advantage the institution doing the Social Responsibility at the right time.	32
2018-19	NA (Given in 7.1.10)	1	15.11.2018, 16.11.2018, 19.11.2018	Social Responsibility Workshop	The institution Creates awareness for local community about Water Supply and Sanitary System.	55
2018-19	NA (Given in 7.1.10)	1	15.11.2018	Workshop on Robotics	The institution Creates awareness for local community about Robotics and its applications.	87
2018-19	NA (Given in 7.1.10)	1	09.11.2018	Tree Plantation	As the college is surround by agriculture Area. Most of the Local community people are depending on rain water. We regularly create environmental awareness to the local residents by Green initiative.	30
2018-19	NA (Given in 7.1.10)	1	08.11.2018	Workshop on Robotics	The institution Creates awareness for local community about Robotics and its applications.	95
2018-19	1	NA (Given in 7.1.11)	09.9.2018	Tree Plantation	As the college is surround by agriculture Area. Most of the Local community people are depending on rain water. We regularly create environmental awareness to the local residents by Green initiative.	220
2018-19	1	NA (Given in 7.1.11)	27.7.2018	Mega Health Camp 2018	Taking locational advantage the institution Creating awareness on Health check up.	560
2018-19	1	NA (Given in 7.1.11)	07.06.2018	Swachh Bharath Mission	This has helped the local community to get awareness about Cleanliness of House and street. This will help the local community people to prevent fevers like Dengu etc. This event was conducted near to our college Village.	130
2018-19	1	NA (Given in 7.1.11)	14.07.2018	Mega Job Fair 2018	Taking locational advantage the institution Providing job opportunities to unemployed youths.	1012
2018-19	1	NA (Given in 7.1.11)	2018-19	International conference	Taking locational advantage of international airport (40 km), International conference conducted for global connectivity of state holder of institution.	20
2018-19	1	NA (Given in 7.1.11)	2018-19	Industry sponsored Laboratory	Taking locational advantage of industry Surrounded industry sponsored Laboratory (IPCS Automation Laboratory) established in EEE department.	10
2018-19	1	NA (Given in 7.1.11)	2018-19	Environment Consciousness	To address locational disadvantages increasing the environment pollution rapid growth of vehicle usage. The institution has 23 buses to encourage public transport and discourage private transport. This is the approach of the institution towards the Environment Consciousness.	400
2018-19	1	NA (Given in 7.1.11)	2018-19	Rain Water Harvesting	Taking the locational advantage of relatively good average of rainfall (644mm) as compared to Coimbatore (618mm), Rain Water Harvesting structure has been implemented for the improvement of rain water.	10

Description: <p>The Entrepreneurship Development Cell, JCT College of Engineering and Technology in association with Entrepreneurship Development Institute Government of Tamil Nadu organized the Phase-I: Entrepreneurship Awareness Campaign on 31st January 2015. Mr. J. Stalin Jacob, Head-Academics, Native Lead Foundation is the Chief Guest of this Programme. The programme commenced with the welcome address given by Prof. V. Pradeep, coordinator of EDC. In the presidential address, Dr. G. Ramesh, Principal of our college addressed the gathering with the importance of programme and illustrated us the role of Entrepreneurship in our economy. He included that the Entrepreneurship is a concept of five vital building blocks. The Chief Guest in his inaugural address enlightened the gathering with reason for the interest towards the field of entrepreneurship by giving reliable real time examples. He made to realize that entrepreneurship is a key driver of our economy. His speech made awareness among the youth to be a beginner in an entrepreneurial economy. He presented a brief explanation about the interest that will enable them to develop the insight needed to discover and create entrepreneurial opportunities. Key aspects for being entrepreneurial are willingness and risk taking.</p>

Name of the Activity: SEMINAR ON "ENERGY CONSERVATION"	
Date : 13-2-2019	Duration: 1 day
Organizing Department/Clubs: JCT INSTITUTIONS	Faculty Coordinator: MR.S.Manikandan AP/EEE
Student Coordinators: B.Vignesh	Number of Faculty Participants:30
Number of Student Participants:100	
Participation from Local communities: 30	
Resource Persons/ Dignitaries Profile: Thiru. K.Thangaraj & Jayansenthilkumar	

Description: JCT college of engineering & technology, department of Mechanical Engineering organized a seminar on "ENERGY CONSERVATION" Thiru. K.Thangaraj & Jayansenthilkumar. external faculties of PCRA-SR (Petroleum Conservation Research Association – Southern Region) conducted the Institutional Training Program on 13-02-2019 at 2.30 pm to 4:00 pm in our college seminar hall for our Mechanical & Electrical and Electronics Engineering Students. Program was very informative and effective using lot of case studies, videos for participants on energy conservation. It was highly valuable and informative to our participants.

Issues Addressed: Creating awarress on conservation of various types of energy

Description: JCT College of Engineering and Technology (JCTCET) grandly organized a 'Mega Job Fair 2018' at its premises on 14th, July 2018 from 09.00a.m. to 05.00 p.m. This Job fair was aimed at providing job opportunities to unemployed youths. Job fair witnessed participation of around 1500 graduates and over 35 reputed companies. The Job Fair made an impact among the graduates. Young graduates have not only got jobs but also received a plethora of ideas and guidance from Human Resource personnel. Candidates from disciplines like Engineering, Diploma, Arts and Science were at the peak of their enthusiasm to see 35 companies under one roof. A little more than 511 students were selected by the various companies and they all received their 'Appointment Orders' from the respective HR personnel the same evening itself. In short, the event was a grand success and the college received a very positive feedback from both the candidates and the companies who participated in this fair.
