DEPARTMENT OF ELECTRICAL AND ELECTRONICS ENGINEERING

Workshop Report

29.08.2022

One Day workshop on “ARTIFICIAL INTELLIGENCE” was organized by Department of Electrical and Electronics Engineering in association with M/s. Cranes varsity, Bangalore on 29.08.2022 at 10.00 am Dr.K.Geetha, HOD of EEE gave the welcome address. Following that, Principal Dr.S.Manoharan gave the Presidential address, in which he addressed the need of Artificial Intelligence.

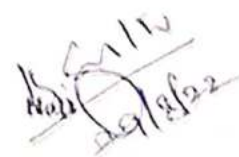

Session was conducted by Mr. Mallesh, M/s.Cranes Varasity, Bangalore. He introduced key concepts on artificial intelligence; defining critical terms, capabilities as well as current limitations of AI, explained key concepts of artificial intelligence. Basic algorithms were also covered during the session.

The key concepts were introduced from the absolute basics as this workshop was designed to cater to participants with any skill level in coding. Multiple simplified examples of AI were coded.

The students showed keen interest in the workshop and have gained a hands-on experience in the topics of Artificial Intelligence.

This workshop was a good learning experience for the participants. They had the opportunity to familiarize themselves to AI. The workshop coordinators are Mr.R.Satheesh, Ms. Angel Joseph and Mr. S. Lokeswaran, AP/EEE

REPORT ON
EXPERT TALK-31.03.2022

The Department of Electronics and Communication Engineering, JCTCET organized an online Expert Talk Series 2022 on 31-03-2022 at 11.30 am for II, III & IV Year ECE students.

The key speaker of the event was Dr.M.Sabrigiriraj, Professor and HOD, Department of Electronics and Communication Engineering, SVS College of Engineering, Coimbatore.

The session started with the welcome address by Ms.Fenisha Princess III year ECE followed by the Chief guest introduction by Ms.Rajasubiksha III year ECE.

Our Chief Guest delivered his lecture on the topic "An Introduction to Machine Learning and Deep Learning". The primary goal of this Expert talk was to increase student's knowledge about Machine learning and deep learning. He taught about how Machine learning differs from Human learning. He conducted quiz to teach about Machine learning and Deep learning. He also explained about how the machine learning and deep learning works by using the logic gates. Finally he answered to the queries raised by the students and made the session as an interactive one. The vote of thanks was delivered by Ms.Malavika III year ECE.

23.04.2022

WEBINAR REPORT

ON

"Introduction to Image processing"

The Department of Electronics and Communication Engineering conducted a Webinar on 22.04.2022 at 2.30pm to 3.30pm on the topic "**Introduction to Image processing**" through Google meet link.

Ms.Subiksha (Third Year ECE) welcomed the chief guest and the participants. About 45 participants participated in this webinar including faculties, students of ECE department. The Introduction of chief guest was given by Ms.Malavika (Third Year ECE)

The **Chief Guest** of the function was **Dr. P.M. Siva Raja, Amrita College of Engineering and Technology, Nagercoil**. He gave the valuable webinar on "**Introduction to Image processing**". The Chief Guest gave detailed introduction to image processing, pixel representation, key stages in digital image processing, image compression, color image processing and Various companies that are giving Job Opportunitie in image processing field. At the end of webinar students had an interaction with the chief guest about the session and an online feedback link was given to participants.

The vote of thanks was delivered by Ms.Mridula (Third Year ECE) and the webinar program came to an end.
