Aim & Scope

This short term program includes AKTE

Academic Science, a group of eminent academicians. This conference provides an international forum for researchers, developers, engineers and practitioners who are involved in real time projects that provide solutions to exchange their valuable ideas and showcase the ongoing work which may lead to joint breeding foundation of the futuristic engineering.

The aim of this conference is to bring together the academicians, scientists, engineers and manufacturers from various institutions, universities, colleges and industry to discuss the relevance of various futuristic technologies emerging in this area throughout the world.

Conference Benefits:

- Each author will get hard copy of certificates (For both international journal Publication and conference presentation separately)
- All the accepted papers in the conference will be published in the special issue of the associated international journals.
- All associated Journals are Google scholar indexed
- E-Conference proceeding will be published on with ISSN 978-93-932712-3-0
- DOI of papers will be provided

Payment Options

- Online Payment using net banking, TEFIT or TAPS.
- Direct Deposit in the bank account which will be provided in acceptance letter
- Foreign Author can transfer Through PayPal/Net transfer/credit card money

The registration fee includes:

- Participation of one registered person in the conference
- Publication of full papers in one of the associated Journals
- Publication of full papers in the International Conference proceeding with ISSN number
- Conference Kit
- Hardcopy of certificates for both international journal publication and conference presentation
- Tea and Lunch during the Conference
- All papers the published papers will get DOI
