F. No. 33-363/2017-NBA

Dated: 29.06.2021

To  
The Principal  
JCT College of Engineering and Technology,  
Pichanur, Coimbatore-641 105,  
Tamil Nadu

**Subject: Grant of accreditation for one year in respect of UG Engineering programs in Tier II offered by JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu on the basis of Compliance Report.**

Sir,

This is regarding Compliance Reports submitted by **JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu** for the UG Engineering programs which were accredited by NBA in Tier-II for the academic years 2018-19 to 2020-21 and whose validity of accreditation is expiring on 30.06.2021.

2. The National Board of Accreditation (NBA) has decided that in all cases of UG Engineering programs which were accredited in Tier I/Tier II for the Academic Years 2018-19 to 2020-21 i.e. up to 30-06-2021 and for which the concerned Institutions have submitted Compliance Reports, but the visit of Expert Team for data verification of the programs is pending because of the current pandemic situation due to Corona virus, the programs will be considered for accreditation of one year i.e. up to 30-06-2022 after data verification of the programs internally on the basis of the submitted Compliance Reports. The data submitted by **JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu** in the Compliance Reports has been examined and verified in NBA. Based on the same, the Competent Authority in NBA has approved the following accreditation status to the programs as given in the Table below:

Sl. No.	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Computer Science & Engineering	Tier-II June 2015 Document	Accredited	Academic Year 2021-2022 i.e. up to 30-06-2022	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier.
2.	Electrical & Electronics Engineering		Accredited		
3.	Mechanical Engineering		Accredited		
4.	Petrochemical Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

5. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

6. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

Yours faithfully,

  
(Dr. Anil Kumar Nassa)  
Member Secretary
