

JCT COLLEGE OF ENGINEERING AND TECHNOLOGY
PICHANUR, COIMBATORE-641 105

2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

2.3.2 Teachers use ICT enabled tools for effective teaching-learning process.

JCT College of Engineering and Technology even during the online teaching of Pandemic years the learner were encouraged by attending the quiz question through innovative teaching Methodology and also demonstrated the concepts through video learning which Made a feel of interactive learning for both slow learners and advance learners.

Our college customs contemporary Information and Communication Technology tools for effective teaching and learning in a recent scenario. The ICT tools are the latest technology and concepts used in Information and Communication Technology among students to students, students to teacher interaction (e.g., Google Classroom and video lecture). Information and Communication Technology (ICT) facilitated classrooms such as LCD projectors with Wi-Fi facilities are provided to enable the students to visualize the concepts in being taught.

Google Classroom teaching to make everyone participate eagerly. Google Classroom enables students to access materials like course plan, lecture materials, question bank with answers, sample university question papers, Formula book, assignments, and tutorial problems by the students anywhere digitally through students' mail id.

Faculty members teach their concepts clearly by presentation, animations, video lectures to students through smart board teaching and NPTEL videos. Our Institute provides a gateway to access the course materials and videos opted by NPTEL to enhance students understanding capability.

Course teachers help the students to hone their skills through participative learning exercises such as CLG–Collaborative Learning Group, SOLE -Self Organizing Learning Environment, Group Discussion, Case Studies, Quiz, Demonstration of videos, Models, Charts, etc.,

Faculties motivate students to present technical seminars on some topics using PowerPoint presentation tools to support learning methods and the same was recorded and uploaded in YouTube link for students' references.

Class advisors create a WhatsApp group to communicate information and to share study materials for preparation during examinations.

We create interest towards Research activities by insisting our students to update the recent technology by referring various journals through Digital library, DEL NET, ERP Software.

A handwritten signature in blue ink, consisting of several loops and a long horizontal stroke extending to the right.
