MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (herein after called as the 'MOU') is entered in to on the 13th day of December 2018, by and between

JCT Group of Institutions, the First Party represented here in by its Competent Authority/Representative (hereinafter referred as 'JCT Institutions', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors-in-office, administrators and assigns).

AND

Consortium of Citax Energy DMCC; DASOFF Petroleum services LLC; Energivo Oil & Gas, the Second Party, and represented herein by its Mr. Bhagwan Ganyai and Mr. Navneeth Rajesh Kumar, (herein after referred to as "CDE", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

(First Party and Second Party are hereinafter jointly referred to as 'Parties' and individually as 'Party') as

PRINCIPAL
JCT College of Engineering & Technology
Pichanur, Coimbatore - 641105

NAVNEETH
FOUNDER & CEO
ENERGIVO OIL & GAS

WHEREAS:

- A) First Party is a Institution named:
 - (i) **JCT Group of Institutions**
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interests.
- E) Consortium of CDE, the Second Party is engaged in Business, Manufacturing, Skill Development, Education and R&D Services in the fields of -*Upstream-Midstream-Downstream Hydrocarbon Value Chain & Natural Renewable Energy* and related fields
- F) Consortium of CDE, having its operating and key office at 506, Cresnet Towers, opposite infinity mall, near moray house lane, New OIT link Road, Andheri West, Mumbai - 43
- G) Give related information, its branches, and dimensional information about the industry concerned with whom the MoU is sworn.

NAVNEETH RAJESH KUMAR
FOUNDER & CEO
ENERGIVO OIL & GAS

11/12/19
M.L.K.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERE TO AGREE AS FOLLOWS:

**CLAUSE 1
CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.
- 1.2 The co-operation of First and Second Party shall facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.
- 3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU. The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

12/12/19
Anil

PRINCIPAL
JCT College of Engineering & Technology
Pichapur, Coimbatore - 641105

CLAUSE 2
SCOPE OF THE MoU

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** Second Party will give valuable inputs to the First Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight in to the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.
- 2.4 **Research and Development:** Both Parties have agreed to carry out the joint research activities in the fields of Hydrocarbon Value Chain of Upstream-Midstream-Downstream sectors and Natural Energy Resources.
- 2.5 **Skill Development Programs:** Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.
- 2.7 **Faculty Development Programs:** Second Party to train the Faculties of First Party for imparting training as per the industrial requirement considering the National and International Occupational Standards in concerned sector, if available.
- 2.8 **Placement of Trained Students:** Second Party will actively engage to help the delivery of the training and placement of students of the First Party into internships/jobs; and will facilitate placements for at least % of the students. The Second Party will itself absorb at least percentage of the trained students.
- 2.9 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.10 There is no financial commitment on the part of the JCT institution, the First Party to take up any program mentioned in the MoU. If there is any financial consideration, it will be dealt separately.
- 2.11 Second party to conduct short term courses, as mutually agreed in writing between the parties prior to commencement of this activity.
- 2.12 Second party to conduct study tours, as mutually agreed in writing between the parties prior to commencement of this activity.

MEMORANDUM OF UNDERSTANDING

Ref: JCTCET/MoU/PCE/02/2016

This Memorandum of Understanding is entered into on this Fourteenth day of October-2016

Between

The JCT COLLEGE OF ENGINEERING AND TECHNOLOGY, DEPARTMENT OF PETROCHEMICAL ENGINEERING, Pichanur (PO), Coimbatore-641 105, Tamil Nadu, (First Party) represented by the Dr. G. RAMESH, Principal, JCT College of Engineering and Technology, Pichanur Coimbatore - 641 105, Tamil Nadu herein after referred to as the JCT CET (in short) which unless repugnant to the context or meaning thereof, will include its successors-in-interest and assigns on the first part.

and

M/s. MEENA LAKSHMI FARM PRODUCTS, Dindigul - 624003, Tamil Nadu (Second Party) represented by Thiru S. BALASUBRAMANIAM, Managing Director, Meena Lakshmi Farm Products, Plot 11 & 12, Survey 624/5 & 625/1, Palamarathupatti Road, Reddiyapatti Post, (behind SRV School, Natham Road), Dindigul 624003. Repugnant to the context or meaning thereof will include its successors-in-interest and assigns on the second part.

This MoU is signed and extended with the objectives of developing and strengthening better industry-academic linkages for mutual benefit. The two parties will jointly work towards the common cause with definite vision and missions of long and short-term perspectives.

CLAUSES OF MoU

1. **Relationships:** Both the parties will strive to build long term relationship by involving one another as the guest of honours at all functions like technical seminars, symposiums, Cultural and Promotional events. Notable National & International events Functions organized by either party be supported by other party once a year as a sponsor.
2. **Research:** Primary purpose of this MoU itself is to involve in the advanced research at their own areas of operation of both parties. Accordingly any supports by way Technical Consultancy (Expertise) literature supports (library, advanced software's in computer labs) infrastructure supports (Laboratories and workshops) and other logical supports may be availed to the extend of maintaining secrecy and intellectual property rights of both parties. Either party can opt for augmentations of any facility with mutual consent on investments and utilization. Subsidiary agreements may be made wherever required. JCT CET shall provide all infrastructure facilities, labs and workshops. However the cost involved if any on consumables and labours in conducting experiments shall be charged at actual with mutual agreement in advance. Any significant outcome of any joint research or development activities, arising out of project works shall have equal right to patent the development with due acknowledgement of other party's contribution. Commercial exploitation if any shall be shared proportionally with mutual agreement.
3. **Awards & recognitions:** Third party recognition and awards are the healthier way to encourage our own manpower and its excellence. Both parties can institute few awards, medals and citation *etc* (in equal no.) to appreciate the other's credentials at a common or exclusive functions and forum.
4. **Consultancy:** The dedicated faculties on both sides (party) shall act as the consultant/outsourcer and Technical supporter to one another at all technical, administrative, management and R & D areas. The knowledge sharing by consultancy of the expert members are available at free of cost at the regular college/office functioning hours. Consultancy off the college/office hours if any may be charged accordingly.
5. **Human Resource & Training:** Human resources at both sides shall be strengthened by way of conducting workshops/Lectures/Study camps at a regular interval. Both parties shall organize regular/routine training programme to various levels of Technical and managerial manpower of all discipline at a very nominal costs at their respective premises.

6. **Employment:** The industry shall freely engage the student manpower for any of their R & D activities at their works under various schemes like in-plant training mini/major projects etc to benefits both sides equally. The industry shall give due preference to the students of JCT CET for all their recruitment needs such as temporary, apprenticeship, semi permanent and permanent arising during the period of MoU. The industry will be the permanent guests of honour of the JCT CET at all institutional programs, like the training technical seminars, cultures and other celebrations.
7. **Disclaimer:** This MoU does not compel or force any party either fully or partly to perform a function or fulfil any commitment agreed upon on best interests. All that agreements made between the parties are only obligatory and not in any way mandatory. It is further made abundantly clear that no third party mediation or arbitration is earnest or warranted. Both the parties shall however meet periodically once in three months alternatively at their respective premises to review the MoU and modify the scope of works if any, depending on the special demands and needs, arises then and there.

MEMORANDUM OF UNDERSTANDING (MoU)

Between

JCT College of Engineering and Technology

&

Avatar Academy – Networking & Security

This is a Memorandum of Understanding between the JCT College of Engineering and Technology having registered office at Pichanur, Coimbatore – 641 105 and the Avatar Academy – Networking & Security having their registered at Near Collector office, No:3/1, 1st Floor, Buddhar Street, Teachers Colony, Erode – 638011.

I. PURPOSE and SCOPE

The purpose of this MoU is to clearly identify the roles and responsibilities of each party as they relate to the implementation of the Avatar Academy – Networking & Security placement training at JCT College of Engineering and Technology. The Avatar Academy – Networking & Security is intended to provide placement training to JCT College of Engineering and Technology students through real-time networking Cisco devices. To support this goal, JCT College of Engineering and Technology and Avatar Academy – Networking & Security will work together to conduct training program that meets students technical knowledge in networking and security domain.

In particular, this MoU is intended to establish clear guidelines regarding the training program that will be conducted at the premises of the *JCT College of Engineering and Technology*.

II. BACKGROUND

The Avatar Academy –Networking & Security will provide placement training for the students which will enhance their ability to meet the MNC Company's requirements in the networking and security technologies.

III. JCT COLLEGE OF ENGINEERING AND TECHNOLOGY RESPONSIBILITIES UNDER THIS MoU

JCT College of Engineering and Technology shall undertake the following activities:

- Provide students for training at regular time.
- Provide classrooms and lab session as required.
- Allow networking devices Incubator lab to install in computer centre.

IV. AVATAR ACADEMY RESPONSIBILITIES UNDER THIS MoU

Avatar Academy –Networking & Security shall undertake the following activities:

- Provide networking & Security training Course: Cisco CCNA-R&S in 60hours (6hrs/Week)
- Provide equipments required to complete the project (Stock list details enclosed)
- Be in attendance for any events coordinated through this partnership.
- Verify hours completed by each JCT College of Engineering and Technology participants.
- Complete an evaluation of each JCT College of Engineering and Technology participants.
- Course completion certificate provide to participants.

VI. FUNDING

This MoU include the exchange of funds between JCT College of Engineering and Technology to Avatar Academy – Networking & Security

The total collected training fee amounts will be provided to the Avatar Academy – Networking & Security, Erode.

Training Fee : Rs. 5,000/- (Per Student)

VII. RECORD RETENTION

All records must be retained for one (1) year following this event. This requirement applies to all information regarding this Program. Supporting documentation may be kept at the Avatar Academy – Networking & Security and must be available for review for one (1) year from the date of MoU.

VIII. EFFECTIVE DATE AND SIGNATURE

This MoU shall be effective upon the signature of authorized officials JCT College of Engineering and Technology and Avatar Academy – Networking & Security. It shall be in force from 1st August 2017.

AGREEMENT

This agreement made on **07th March 2018** between M/s. **IPCS Automation**, hereinafter called the party of the first part represented by its Manager/ Director, Mr. Ajith Surendran, DS Complex, Nehru Street, Ram Nagar, Gandhipuram, Coimbatore - 6, TamilNadu.

and

JCT engineering College, Pichanur, Coimbatore-641 111, Tamilnadu, hereinafter called the party of the second part represented by the PRINCIPAL Dr.G.Ramesh

AND whereas

The party of the first part is engaged in the business of **Automation Control and Embedded Systems & Applications** WHEREAS the party of the second part is running an Engineering College offering various UG and PG degree courses to the student community.

OBJECTIVES/PURPOSE OF THIS MOU:

- (i) To improve the skill set of engineering students in **Automation Control and Embedded Systems& Applications**
- (ii) To bridge the gap between college education and industrial requirement.
- (iii) To provide opportunities for the Electrical and Electronics Engineering (EEE) students of the college to undergo industrial trainings through Value Added Courses, In Plant Training and to take up project.
- (iv) To organize the short term training programs on Automation Tools and Embedded Systems & Applications
- (v) To provide In Plant Training and project help for the students.

ROLES AND RESPONSIBILITIES OF THE MOU SIGNING COMPANY:

- (i) To supply tools/techniques to the college
- (ii) To organize Value Added Courses/Workshop/Seminar once in six months to Electrical and Electronics Engineering (EEE) students of the college to enlighten them on the Industrial Automation ,Embedded and complex software projects development.

- (iii) To organize short term training programs on Industrial Automation Tools and Embedded Systems & Applications.
- (iv) To provide opportunities for the Electrical and Electronics Engineering (EEE) students of the college to undergo industrial trainings, implant visits and to take up project works.
- (v) To provide Internship for best performing Individuals.
- (vi) To identify and help the college in the area of taking up R & D projects.

ROLES AND RESPONSIBILITIES OF THE COLLEGE:

- (i) To create the awareness among the students about the **Topic Automation Control/Embedded Systems Applications** conducted by the first part.
- (ii) To undertake consultancy works from the first part.
- (iii) To provide class rooms/LCD and audio facilities and laboratory facilities as required for the training by the first part.
- (iv) To train the employees of the first part on latest technologies and techniques.
- (v) To impart theoretical exposure on software's to the employees of the first part.

TIME FRAME:

This MoU is valid for 2 years from the date of signing and will be renewed for a further period on mutually agreed terms and conditions.

GENERAL:

In event of any issue to be resolved which is beyond the control of the nominated persons of both parties, the Director and Principal who are signatories to this MoU can discuss directly and resolve them.

In witness whereof the parties hereto have affixed their signatures to this agreement on this day.
