The Research and Development cell of JCT College of Engineering and Technology organized a special lecture on "MY JOURNEY OF INNOVATION AND ENTREPRENEURSHIP" on 30.11.2022 at 2.00 pm at Seminar Hall for all the 3rd and 4th year students.

The key speaker of the event was Mr. SARAVANAN THIYAGARAJ, FOUNDER & CEO, CHENNAI AND COIMBATORE.

The session started with the welcome address and introduction to the Chief Guest was given by Dr.M.SABRIGIRIRAJ, HEAD of ECE Department.

Our Chief Guest delivered his lecture on the topic "MY JOURNEY OF INNOVATION AND ENTREPRENEURSHIP". The primary goal of his lecture was to give ideas about digital marketing. He briefly explained what is digital marketing, how to invest amount and start-up the digital marketing.

He gave some ideas for do the digital marketing. Finally, he answered queries raised by the students and made the session as an interactive one. Around 150 students and 15 faculties were benefitted through this programme. The formal vote of thanks was delivered by Dr.M.SABRIGIRIRAJ, HEAD of ECE Department.

The Department of Computer Science and Engineering, JCT College of Engineering and Technology, Coimbatore, organised a programme entitled "Intra-Institutional Innovation Competition", in association with JCT CET IIC and CSI Coimbatore Chapter, on February 25, 2023, at 10 a.m. at the JCTCET Research Laboratory.

The inauguration started with Thamizhthai vazhthu, and Dr. G. Rajiv Suresh Kumar, Head of the Department of Computer Science and Engineering, welcomed the gathering. Dr. S. Manoharan, Principal, JCT College of Engineering and Technology, Coimbatore, gave the felicitation and key note address.

75 students from 10 departments participated, and 25 project models were presented in this competition. Dr. S. Manoharan, Principal, Dr. K. Geetha, Dean Academics, Dr. G. Mahesh, HoD, Mechanical Department, Dr. P. Balamurugan, HoD, Food Technology, and Dr. V. Muruges, HoD,

Guest lecture on piping design with placement opportunities was conducted by Department of Petroleum Engineering, JCT College of Engineering and Technology, Coimbatore on 17-03-2023 (Friday) at JCTCET Seminar Hall by 02:00 pm to 04:00 pm.

The primary objective of this program is to get awareness on job opportunities in Piping design domain. The students are exposed to learn different skills, which has demand in the Piping design how the industry works. The trainer has experience in various oil and gas industries all over the globe. She has shared her journey from a student to a successful employer, which motivated number of students.

The students felt motivated to learn demanded skills, required for employment.
