ABOUT THE INSTITUTION

The Mission of St. Joseph College of Engineering is to exercise a community of individuals who are dedicated to the advancement of education and who share a vision related to Engineering & Management. St. Joseph College of Engineering is a well established institution committed to impart education from daybreak in the society since 1968. We aspire to achieve excellence in the field of Technical Education through diligence and dedication, yielding in individuals, a spirit of quality consciousness, and sensitivity for the crying needs of humanity and current affairs, to be recognised as one of the competent centres at global levels. Our students will emerge as dignified, responsible, disciplined and talented citizens of our motherland and strive to realise the journey of our nation towards prosperity and success.

CONFERENCE THEME

The Conference is an ideal forum for researchers to share their findings and thoughts with their fellow researchers across the world. This conference will serve as a platform for fruitful interaction among Researchers, Scholars, Scientists, Academicians and members in the industry. The main objective of this conference is to create awareness and to provide a perfect platform for the participants to upgrade their knowledge and experience and to discuss on the ways to disseminate the awareness of the latest developments and advances in the field of Engineering and Technology. This conference reflects the current focus of global research, trends, developments, challenges and emerging trends in the field of Information, Communication and Technology.

CALL FOR PAPERS

Topics of interest include, but are not limited to the following:

COMPUTER SCIENCE & INFORMATION TECHNOLOGY

- Network Security
- Perceptive Computing
- Cloud Computing and Advanced Computing Technologies
- Mobile Computing and Ad-hoc Networks
- Data Mining and Knowledge Discovery
- Advanced Networking and Applications
- Information Security Information Systems
- Artificial Intelligence and Computing
- Computer Applications in Web Services
- Global Optimisation Problems, Multimedia Technologies
- Grid Computing

ELECTRONICS & COMMUNICATION ENGINEERING

- Wireless and Mobile Communication
- VLSI Design
- Image, Signal and Speech Processing
- Networking
- Embedded System
- Neural Network
- RF and Design
- Circuit and System, Control System

ELECTRICAL & ELECTRONICS ENGINEERING

- Smart grids
- Soft computing techniques in power system
- Power electronics and energy drives
- Renewable power conversion technologies
- Power quality improvement techniques

MECHANICAL & CIVIL ENGINEERING

- Advanced Manufacturing
- Design Engineering
- Thermal Engineering
- Building Energy Conservation and Green Architecture
- Computing in Applied Mechanics and Product Design

KEYNOTE SPEAKER

Dr. U. Johnson Alengaram, *Assoc. Prof, University of Malaya*
Professor,
Department of Civil Engineering,
Institute Center for Sustainable Construction Technology (ICST),
University of Malaya,
Jalan Kuala Lumpur, Malaysia.

PAPER SUBMISSION DETAILS

The length of the submission is restricted to six pages with maximum of 4 authors. The first page of each submission should include the paper title, authors names and affiliation address with their e-mail addresses and area. Authors are encouraged to follow the IEEE format and send the full paper in MS word to the

INTERNATIONAL CONFERENCE ON RECENT DEVELOPMENT IN ENGINEERING & TECHNOLOGY - ICRDET'23

in Association with Journal partner
 International Journal of Innovative Research in
 Computer and Communication Engineering

On
29-04-2023

Conference Themes

AI & DS, CSE

- IoT and its related applications
- Big data analytics and Big data frameworks
- Cyber security
- Deep learning, Cloud application development and management
- Network security
- Security and privacy for Big data
- Security and privacy in Crowd sourcing
- Biometrics security and privacy
- Data Science
- Machine learning, Artificial Intelligence

Food Tech

- Food Innovations
- Agriculture and its products
- Meat production
- Fish farming and fish products
- Food Processing
- Food Preservation
- Food Engineering
- Food Microbiology

Science & Humanities

Physics

- Nano science and Technology
- Solar cells
- Fuel cells
- Materials Science
- Batteries
- Photonics
- Medical Physics
- Crystal Growth, Nuclear Physics

Maths

- Algebra
- Graph Theory
- Pure Mathematics
- Applied Mathematics, Fluid Dynamics
- Operations Research
- Quantum Information Computation and Communication
- Applied Statistics
- Probability & Statistics

Chemistry

- Polymers
- Carbon Nanotubes
- Energy conservation
- Green chemistry & Synthesis
- Materials / Inorganic Chemistry
- Organic Chemistry
- Pharmaceutical Chemistry
- Environmental & Analytical Chemistry

English

- New approaches in education
- Social relevance of language and literature
- Language Literature and Linguistics

BME, ECE, EEE

- Electrical Machine Design
- Intelligent sensing techniques and control
- Hybrid solar PV
- Thermoelectric generation system
- Advanced wireless communication and Networking
- Advanced Embedded computing and automation
- Smart Sensors and Applications, Biomechanics
- Biomaterials and Regenerative Engineering
- Cell and Molecular Engineering
- Imaging and Biophotonics
- Medical Devices and Instrumentation
- Neural Engineering

Mech, Auto, RA

- Aerodynamics and Fluid Mechanics
- Design and Manufacturing
- Dynamics and Control
- Materials and Structures
- Vibrations, Acoustics and Fluid-Structure Interaction
- Biologically inspired robot control
- Decision-Theoretic planning and control
- Humanoid robots
- Human-robot interaction
- Hybrid and DII Mobile sensor networks

Respected Sir,

Subject: Requesting for attending conference--Reg

I and faculty of Food Technology department, would like to attend conference organized by NIFTEM, Thanjavur on 4-3-2023 titled " National Millet Summit 2023". This conference will be very useful to update myself and our faculty on Millets aspects in Food Technology. I am sure this program will impact my students to update knowledge with new insights for Millet Challenges. Hence, I kindly request to grant me permission and sanction half the amount of registration fee 2000 Rs/- per each faculty to attend the conference.

Thanking You

ABOUT THE UNIVERSITY

The Academy of Maritime Education and Training was established as a private maritime academy by Dr. J. Ramachandran with an enrolment of just 14 cadets during 1993 and subsequently declared as deemed to be University by the Ministry of Human Resources and Development, Government of India. AMET is India's first University in Maritime Education and the only maritime University in the country being recognized by the MHRD/UGC. Since then, the University is catering the needs and dissemination of knowledge in the field of marine and maritime studies.

NATIONAL AND INTERNATIONAL REPUTATION

Being recognized by UGC and DCS for offering various Diploma, UG, PG, research and professional training courses, AMET University with its truly international standards and unparalleled quality in education, received many national and international recognitions and awards. AMET University is crowned with LLOYD'S LIST Middle East and Indian Subcontinent Awards 2013 (during 2007 received the same award once) for the achievements in maritime training. Other awards include India Shipping Summit Award 2012, Emerging Maritime University of the Year 2012, Gateway awards of Excellence 2012. The University has been certified with ISO 9001:2000 by DNV GL, graded as Excellent Grade I by CRISIL, and received 'A1 Outstanding' grade in the Comprehensive Inspection Programme conducted by Directorate General of Shipping, Government of India. European Maritime Safety Agency (EMSA) has inspected AMET University as a model institution for maritime education in India, which has qualified our Nelson to produce cadets and officers for global shipping industry. University is accredited with B Grade by the National Assessment and Accreditation Council (NAAC), Government of India.

The purpose of the conference is to provide a forum for discussing the recent trends in the fields of Mechanical, Mechatronics and Aeronautical Engineering at national level. To disseminate recent research in the fields of Engineering through current state-of-the-art and to establish long term links and invited lectures. Panel discussion will provide an opportunity through which industry/academic collaboration can help in the economic development of our nation especially with global competition.

The conference will accept high quality research papers in the areas of Mechanical, Mechatronics and Aeronautical Engineering. The primary goal of the conference is to bring the ideas in the existing areas, encourage academic and industry interaction to promote collaborative research, establish working relations between Professionals, Researchers and Students.

Accepted papers will be published in NICEE 2022 conference proceedings with ISBN number. For more details visit the Conference Information Center website: <http://www.nicee2022.com>

Engineers, Scientists, Academicians, Research Scholar and students in line with the theme of the conference are invited to submit original and unpublished research papers relevant to conference themes. The scope of the conference includes, but not limited to the following topics.

- Advanced Materials and Composites
- Robotics and Automation
- Computational Methods and Simulations
- Energy Harvesting and Renewables
- Additive Manufacturing and 3D Printing
- Smart and Adaptive Structures
- Biomechanics and Bio-inspired Design
- Non-destructive Testing and Evaluation
- Control and Optimization
- Human Factors and Ergonomics

REGISTRATION & PAYMENTS Students & Academicians: Rs. 300 Delegates from Industry: Rs. 500
