7.19. Criteria

Sensitization of students and employees of Institution to the constitutional obligations : values, rights duties and responsibilities of citizens

In Surveillance of the important of inculcating the constitutional obligations, values, rights, duties and responsibility both staff and students of JCT College , the college has taken the initiation of introducing the constitution of India as audit course to its students besides organizing sensitization and awareness programmes in the college regarding Human Rights, Fundamental Rights, Legal Awareness, Traffic Awareness, Civil Safety, Values etc.

7.1.9 Sensitization of students and employees of the institution to the constitutional obligations: values, rights, duties and responsibilities of citizens

At JCT institution, we believe the students and the employees to the constitutional obligations about values, rights, duties and responsibilities and constantly work upon to nurture them as better citizens of the country through various curricular and extra-curricular and extra-curricular activities.

The institution has offered variable courses which sensitize the students about the constitutional obligations. The university has introduced a compulsory **paper on** engineering disciplines to create awareness and sensitize the students and employees to constitution obligations. In part to strengthen the democratic values. In addition all department students take a course on environmental Sciences and sustainability in their second year of fourth semester which gives them knowledge on environmental and biodiversity, variable cause of environmental pollution, renewable sources of energy, sustainability practices and management.

In addition to this, many regular programs are conducted by the Women empowerment /Prevention of sexual harassment (POSH) cell to educate women about their rights. The cell is mainly designed to focus on empowering women socially, economically, politically and legally with focus on promoting decision making. It also conducts various activities to accelerate the academic enhancement, leadership development and cultural enrichment, leadership development and cultural enrichment for young women.

The students of JCT of all branches study constitution of India as a compulsory paper which sensitizes the students about constitutional obligations. Every year Republic Day is celebrated on 26th Jan by organizing activities highlighting the importance of the Indian Constitution. Independence Day is also celebrated every year to highlight the struggle of freedom and importance of the Indian constitution.

INDEPENDENCE DAY CELEBRATION	
Date And Time :	15.09.2022 at 08.00AM
Organized By	JCT club of , Red Ribbon Club and Youth Red Cross

Description:

August 15, 2022, the celebration of Independence Day was held in a mesmerizing way in the campus in spite of this pandemic situation by following social distancing norms. The morning of Independence Day in the college started with a grand morning assembly at exactly 8:00 am with numerous patriots. The flag hoisting was done by our young and energetic principal Dr. S Manoharan of the tricolour flag accompanied by the National anthem and the National song and everyone saluting the National flag created a different ambience in the premises. It was a pleasant morning on the campus of JCT College of Engineering and Technology which was fully decorated by the saffron, white and green colours. Later, the students of NSS marched passed according to the rolling of the drum, which was enough to give goose bumps. The campus was filled by the aura of patriotism all around as the patriotic songs were played in the background. The colourful programs started with an inspiring speech by the principal of the College. The college had created different seating arrangements for the students and the school authority members. The Hod's of the departments also gave a speech followed by the Professor which reminded us of the struggle, blood and sacrifice that our freedom fighters did to give us this Independence of life. The principal thanked faculties, student members and all non-teaching staff for making such wonderful arrangements possible every year.
