2. Teachers
3. Employers
4. Alumni

DEPARTMENT OF PETROLEUM ENGINEERING

ACADEMIC EXPERT FEEDBACK ON CURRICULUM

Dear Expert,

We at JCT College of Engineering and Technology realize that rapidly changing technology requires that the institution remains constantly agile to the needs of the stakeholders and strive to constantly upgrade quality through continuous improvement.

We are reviewing our existing curriculum, value added courses etc., to assess the impact along with determining the need for revision. We shall very much appreciate and be grateful to you if you can spare some of your valuable time to fill this form which will help us to improve our Institution further. Kindly place relevant tick mark that describes your level of satisfaction at each question below,

S.No.	Questionnaire	Ratings		
		Good (3)	Average (2)	Below Average (1)
1	To what extent the curriculum is matched current trends, employability and industry requirements?	✓		
2	How do you rate the opportunity for self-learning and MOOCS in the curriculum?		✓	
3	The delivery of curriculum included soft skills, managerial skills, programming skills, and communication skills.		✓	
4	The curriculum provides an opportunity for research, internships, and project-related activities.	✓		
5	The curriculum in-line with the department and institute's vision and mission.	✓		
6	The curriculum is balanced with regard to theoretical and practical knowledge.	✓		
7	The Choice Based Credit system being included in the curriculum is as per national and global trends.		✓	
8	The program learning outcomes and specific outcomes of the curriculum are as per the global standards	✓		
9	Your overall opinion about the design and review of the curriculum.	✓		

Suggestions if any: Encourage them to think about solution like minimizing waste.

ALUMNI FEEDBACK ON CURRICULUM

Dear Alumni,

We at JCT College of Engineering and Technology realize that rapidly changing technology requires that the institution remains constantly agile to the needs of the stakeholders and strive to constantly upgrade quality through continuous improvement.

We are reviewing our existing curriculum, value added courses etc., to assess the impact along with determining the need for revision. We shall very much appreciate and be grateful to you if you can spare some of your valuable time to fill this form which will help us to improve our Institution further. Kindly place relevant tick mark that describes your level of satisfaction at each question below,

S.No.	Questionnaire	Ratings		
		Good (3)	Average (2)	Below Average (1)
1	To what extent the curriculum is matched current trends, employability and industry requirements?	✓		
2	How do you rate the opportunity for self-learning and MOOCs in the curriculum?	✓		
3	The delivery of curriculum included soft skills, managerial skills, programming skills, and communication skills.		✓	
4	The curriculum provides an opportunity for research, internships, and project-related activities.	✓		
5	The curriculum in-line with the department and institute's vision and mission.	✓		
6	The curriculum is balanced with regard to theoretical and practical knowledge.	✓		
7	The Choice Based Credit system being included in the curriculum is as per national and global trends.			
8	The program learning outcomes and specific outcomes of the curriculum are as per the global standards		✓	
9	Your overall opinion about the design and review of the curriculum.	✓	✓	

Suggestions if any:

As we want greater emphasis on Soft Skills
