

7.3.1 Showcasing the institution's performance in a particular area that is unique to its focus and priorities:

- Because the college is situated on the border of two states, its faculty and students are from Kerala and Tamil Nadu. Specialized programs are available, including AI and data science, computer science and business systems, food technology, petroleum engineering and petrochemical engineering, biotechnology and biochemical engineering, and more.
- The institution has an A rating in the NAAC and four of its programs are NBA certified. To support the college's mission of providing everyone with high-quality education and employment.
- The management inspires the principal, heads of departments, employees, and students to fulfil the stated vision and goal.
- Management discusses in its regular meetings about the academic, administrative plan, policies and implementation.
- The college complies with all departmental infrastructure, library, building, and extension criteria. The management provides scholarships and concessions to students from low-income families.
- To enhance students' educational experiences, the university recommends implementing cutting-edge teaching and learning strategies. High-quality instruction is provided to students through value-added courses, seminars, workshops, in-house training, and guest lectures.
- In order to develop their capacity for self-learning and enhance their academic comprehension of cutting-edge subjects, students are encouraged to obtain certifications from online courses such as NPTEL, Coursera, Udemy, etc.
- The College established the Staff Recognition Awards to honor outstanding employees. These honors will be given out in accordance with a number of requirements, such as completing NPTEL courses, publishing journal articles, achieving 100% outcomes, and more. The winners will get a monetary prize in addition to a letter of congratulations from the administration.

Action plan for the upcoming academic year:

1. Our objective is to improve our institution's research and development efforts, with the goal of creating specialized research facilities for a few departments.

2. Achieving a good NIRF ranking and fostering general institutional development are our goals.

3. To create the thrust sectors' center of excellence.

4. To accelerate academic advancement while pursuing NBA certification for qualified departments.

5. To improve sporting facilities' infrastructure.

6. With the active participation of the Red Ribbon Club, Women Empowerment Cell & Posh Cell, National Cadet Corps, and National Service Scheme, we hope to increase our involvement in society activities.

Subject: Further accreditation status on the basis of Compliance Report of the programs in Tier-II offered by JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu.

Sir,

This is regarding Compliance Report submitted by JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu for the UG Engineering programs which were accredited by NBA in Tier-II for academic years 2018-19 to 2020-21 whose validity of accreditation had expired on 30.06.2021. The programs were granted accreditation for the Academic Year 2021-22 i.e. upto 30/06/2022 on account of present pandemic situation due to Corona Virus.

2. An Expert Team conducted data verification of the programs on 2nd April, 2022. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The Competent Authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program(s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Mechanical Engineering	Tier-II June 2015 Document	Accredited	Academic Years 2022-2023 to 2024-2025 i.e. upto 30-06-2025	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the Competent Authority, whichever is earlier
2.	Computer Science & Engineering		Accredited		
3.	Petrochemical Engineering		Accredited		
4.	Electrical & Electronics Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for further 3 years. JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu should submit fresh online application through eNBA portal at least five months before the expiry of validity of accreditation mentioned above.

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and Information bulletin of the Institute.
7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.
8. A copy each of Report of the Visiting Team in respect of the above programs is enclosed.

Yours faithfully,
